

14th June 2024

Dear Parents and Carers,

Extracurricular Clubs Autumn 2024

Our club provision for the Autumn 2024 term is attached. Please read the following information carefully.

The first and last date for each club is annotated accordingly: some clubs start during the first week of term, others the second so please be mindful of this. Bookings for external clubs are made directly with the provider. See individual flyers for details.

Bookings for Evendons internal clubs will be open on SCOPAY from **7pm on Thursday 20th June**. Due to system constraints, each club is set to live manually, one at a time. Therefore, they will not all be live at exactly 7pm. This is unfortunately beyond our control so please continue to refresh SCOPAY to check when your preferred club becomes available to book. Internal and external clubs are paid in advance, allocated on a first come, first served basis and cover the full term dates as specified.

We received queries from parents last term advising they were not able to view the summer term clubs on release day and therefore missed the opportunity of booking their child's preferred choices. Having reported the issue to Tucasi, the SCOPAY software provider, they assured us there was no issue with the website or app and both provide the same opportunities for booking. The website may also include clubs which are fully booked or relevant to other year groups (and therefore not available for selection) whereas the app generally only offers those which have spaces and are appropriate to your child's year group.

A broad and rich extracurricular club provision is extremely important to Evendons and we endeavour to offer as many choices as possible, whether via 3rd party supply or internal means. However, staffing and available space have an impact on the number of clubs we are able to provide and, as a result, there is great demand for limited places. Clubs can fill up within a matter of minutes so if you have not used the app or website for club purposes before, we would suggest you familiarise yourself with the system before release day and continue to refresh the screen when bookings open.

Payments and bookings are non-refundable and places are not secured until full payment is received. Costs are not subject to reduction should a child join after the club has started or if absent from school. The cost quoted for internal clubs is not subject to refunds or reduction should a session require cancellation due to Parent Consultation evenings. Should a child choose not to attend any scheduled sessions, we are unable to offer refunds or reductions. Please ensure that you only book your child's preferred club as we are unable to swap clubs retrospectively due to limited spaces.

1. Childcare Vouchers / Tax Free Childcare Payments:

Parents who are registered with us to pay via Childcare Vouchers or Tax Free Childcare may reserve their child's place with a non-refundable deposit of £1 via Scopay. The remaining balance must be paid before **Friday 5th July**. If we have not received your remittance advice or screenshot confirming payment by this date, your child's place will be withdrawn and offered to another child on the waiting list. If you would like to register as a Childcare / Tax Free Childcare Voucher user, please contact childcarevouchers@evendons-primary.co.uk as soon as possible (to avoid delays, please do not send to the office email address).

Please be advised that CCV and TFC payments are allocated manually and may take a little longer to process. Thank you for your patience. For details regarding the set up process for CCV and TFC, please see our website (www.evendons-primary.co.uk/extra-curricular-clubs/).

2. **Card Payments:**

Parents who are not registered to pay via Childcare Vouchers or Tax Free Childcare are required to pay the full cost of the club by card at the time of booking.

****Remember, Autumn clubs are for the new academic year and your child's current year group will therefore change from September****

Please remind your children that their participation in clubs is dependent on their continued excellent behaviour. Any poor behaviour will result in children being removed from clubs and may not be considered for clubs in the future.

Kind regards,

Tracey Sansom
Clubs Administrator

AUTUMN 2024 CLUB SCHEDULE

MORNING CLUBS (7.45am to 8.30am, excluding Choir Club - 8am)

MONDAY (no sessions 28.10.24 & 4.11.24)
